**BEST HOTEL SPA:**  
*Izba Spa*

Craving the royal treatment post-holiday partying and travelling? Head to **IZBA SPA**, on the 12th floor of the new Hôtel Le Crystal (1100 de la Montagne St., 514-871-2444, [izbaspa.qc.ca](http://izbaspa.qc.ca)). The indoor saltwater pool, outdoor whirlpool, fabulous massage chairs and lavish relaxation lounge are perfect for quality pampering—you can even hit the gym. By the time you emerge from a two-hour Russian sauna treatment and deep-tissue massage followed by a spa mani/pedi, tea and cake at the hotel's La Coupole brasserie will seem like the perfect ending to an indulgent day.
